Top Barn Fishery

Exclusive Fishing along 1½
Miles of the River Severn

Specialist Bait For The Specialist Angler

River Fishing

Top Barn fishery is a delightful venue set in Worcestershire's beautiful countryside. The secluded fishery provides anglers with prime sport along one and a half miles of the lower river Severn.

Well known for its growing reputation, Top Barn is developing into one of the country's top managed river fisheries.

Easily accessible from the M5 motorway and only 6 miles from the lovely city of Worcester, Top Barn is an ideal location to while away the hours enjoying some fantastic fishing in the beautiful unspoilt surroundings of Worcestershire's countryside.

The fishery boasts some of the most outstanding fishing you are likely to encounter with large catches of Barbel to double figures and specimen Carp, Chub, Roach, Bream and Pike a distinct possibility.

Facilities

• Toilets and Showers

A toilet and shower block is available to all anglers on a 24 hour basis and is located at the main entrance to the fishery.

• 24 hour fishing

Night fishing is allowed.

• Locked Gate Security

For your peace of mind, the fishery has locked gate access providing anglers with a safe and secure environment to enjoy their fishing.

• Vehicle Access

A grass track road runs the length of the fishery providing anglers with the ability to drive their vehicles right up to their chosen swim.

• Wide Choice of Swims

The bankside has a wide and varied choice of swims. For the adventurous amongst you, many areas of bankside vegetation are left wild and untouched for you to be able to explore. Many other swims are well developed and offer good access down to the water with built in steps and platforms.

• Harvest Shop

The conveniently situated Harvest shop will be able to provide you with all your basic needs, stocking a good selection of freshly prepared bread, cakes, sandwiches and pastries, the shop also stocks a selection of the Teme Severn baits range.

Pool Fishing

Top Barn also has a selection of 4 pools available via a separate membership or combined through a river and pool membership ticket. The pools offer good sport and vary in size from 12 pegs to 58 pegs. These pools hold a variety of fish with Carp to around 22lb. Many of the pegs offer disabled access.
